LAKHISCHAN 1983 LAKE HIGHLAND PREPARATORY SCHOOL ORLANDO FLORIDA VOL. XIII

If I could put time in a bottle
The first thing that I'd like to do
Is to save ev'ry day 'til eternity passes away
just to spend them with you.

If I could make days last forever,
If words could make wishes come true;
I'd save ev'ry day like a treasure and then again
I would spend them with you.

But there never seems to be enough time
To do the things you want to once you find them.
I've looked around enough to know that you're
the one I want to go thru time with.

If I had a box just for wishes
And dreams that had never come true;
The box would be empty except for the memory
of how they were answered by you.

But there never seems to be enough time
To do the things you want to once you find them.
I've looked around enough to know that you're
the one I want to go thru time with.

"TIME IN A BOTTLE"
by Jim Croce

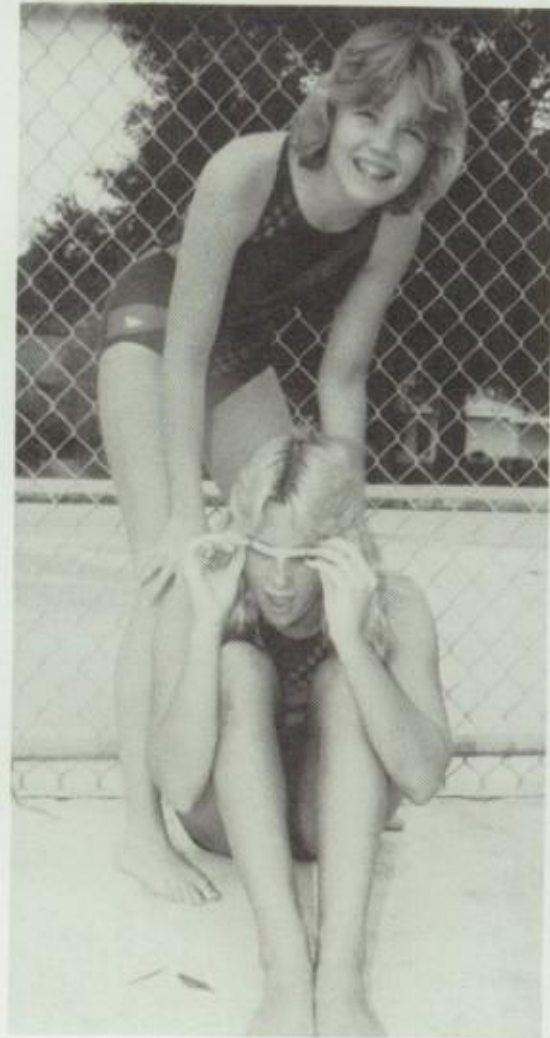

"Do you love life?"

Then do not waste it, for time is what life is made of."

Ben Franklin

"As every thread of gold is valuable, so is every minute of time."

Mason

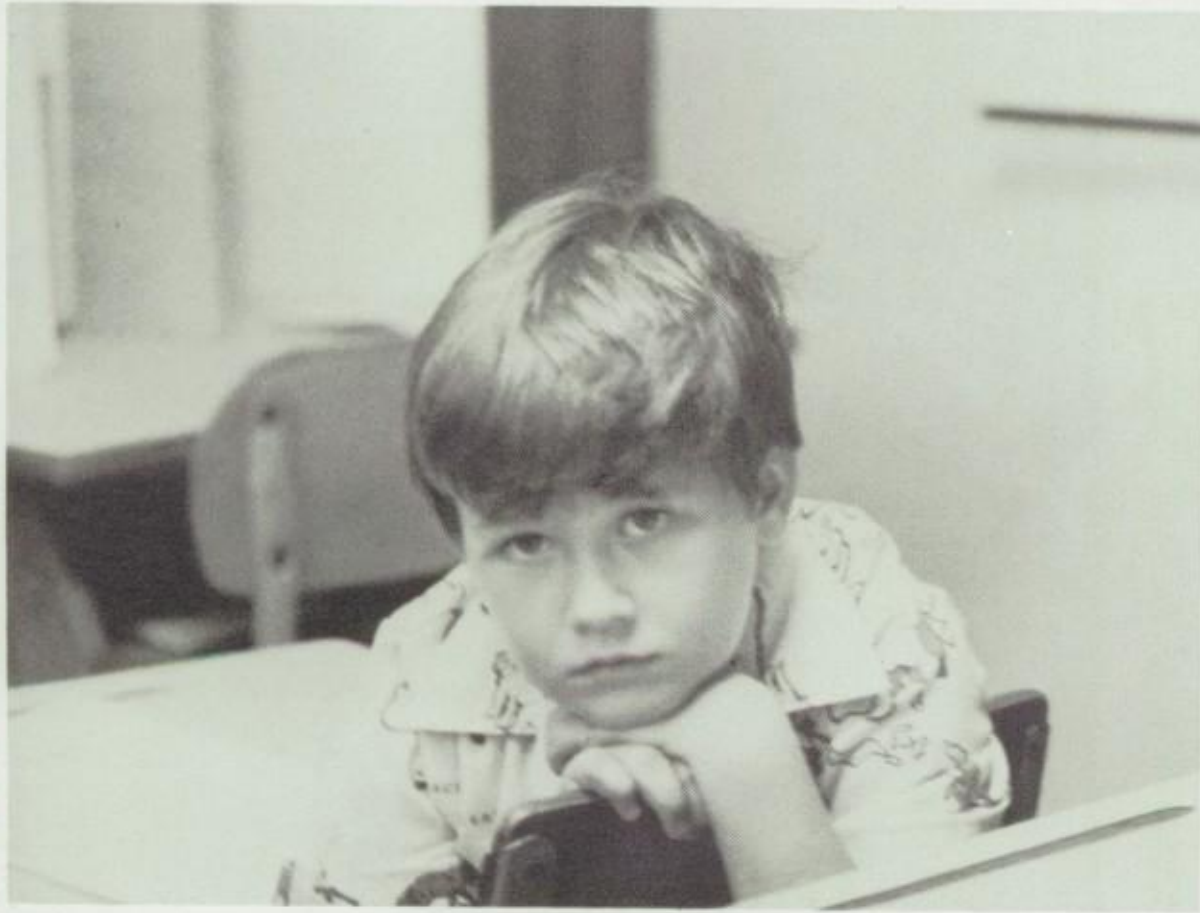

"Time sure flies when you're having fun."

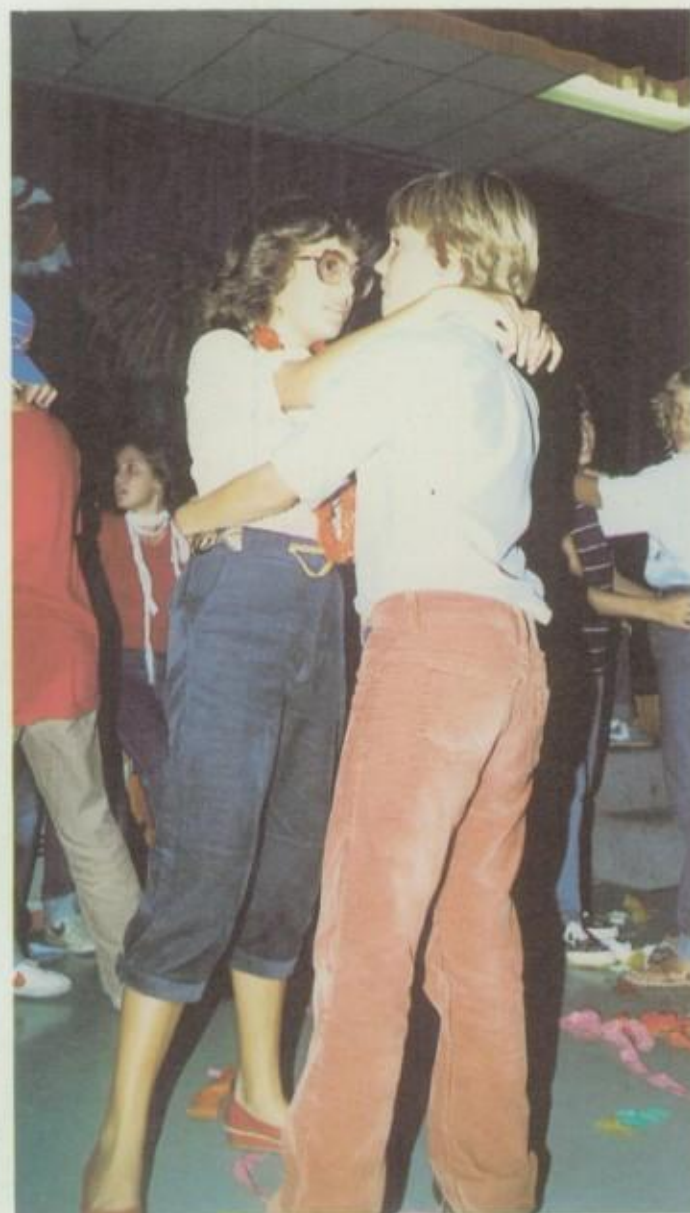

"Time is a river of passing events, and strong is its current."

Marcus Antonius

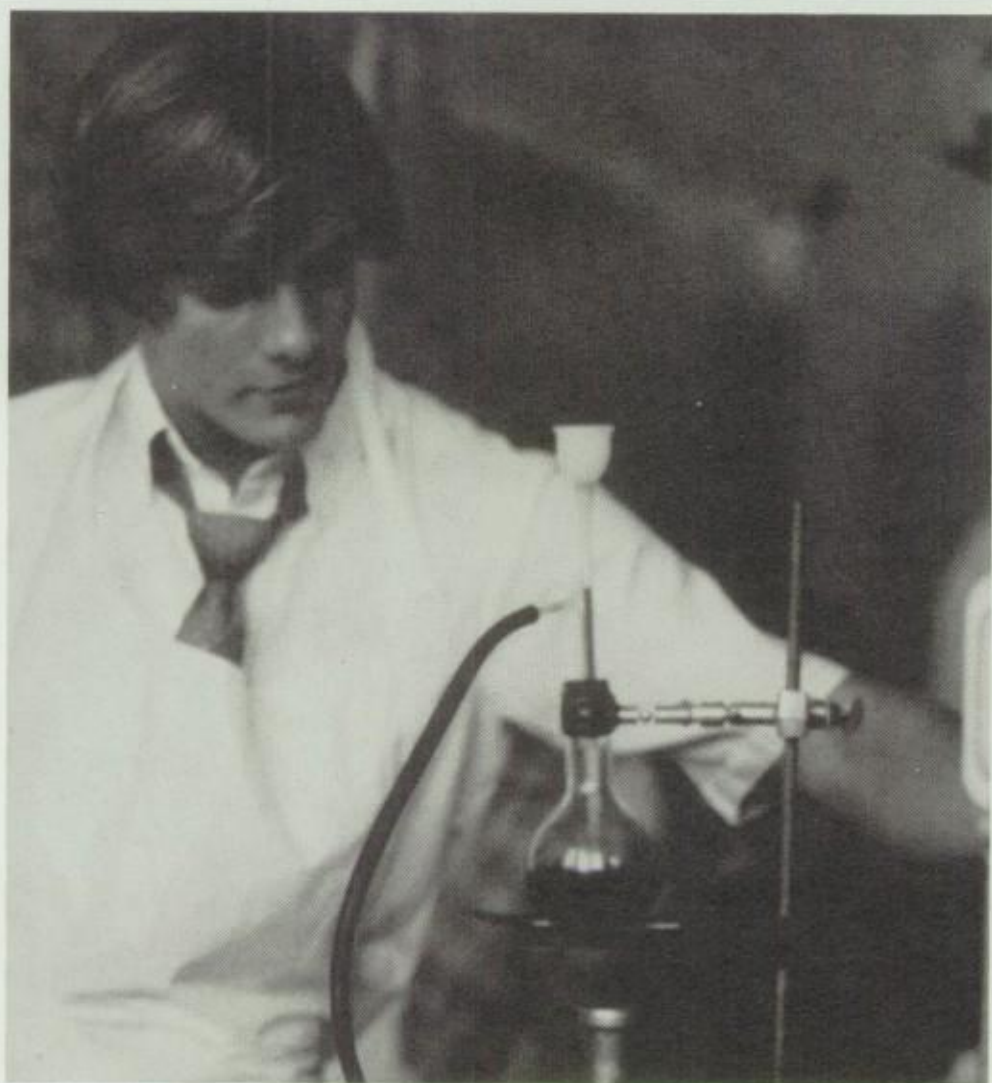

"To everything there is a season,
And a time to every purpose under the heaven."

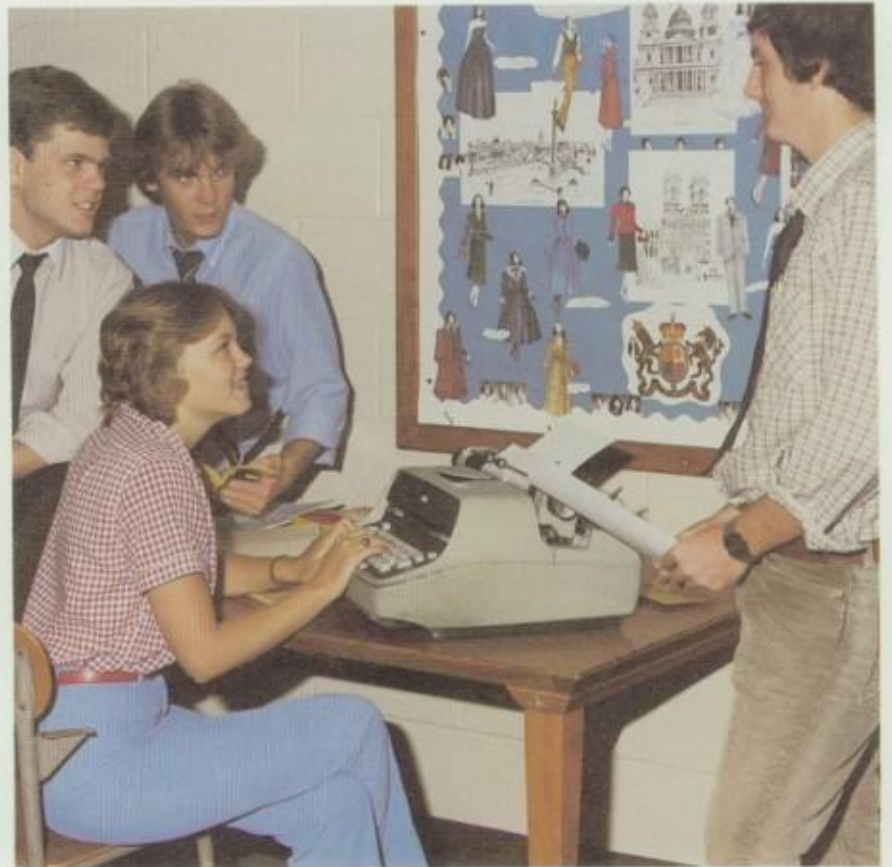

Ecclesiastes 3:1

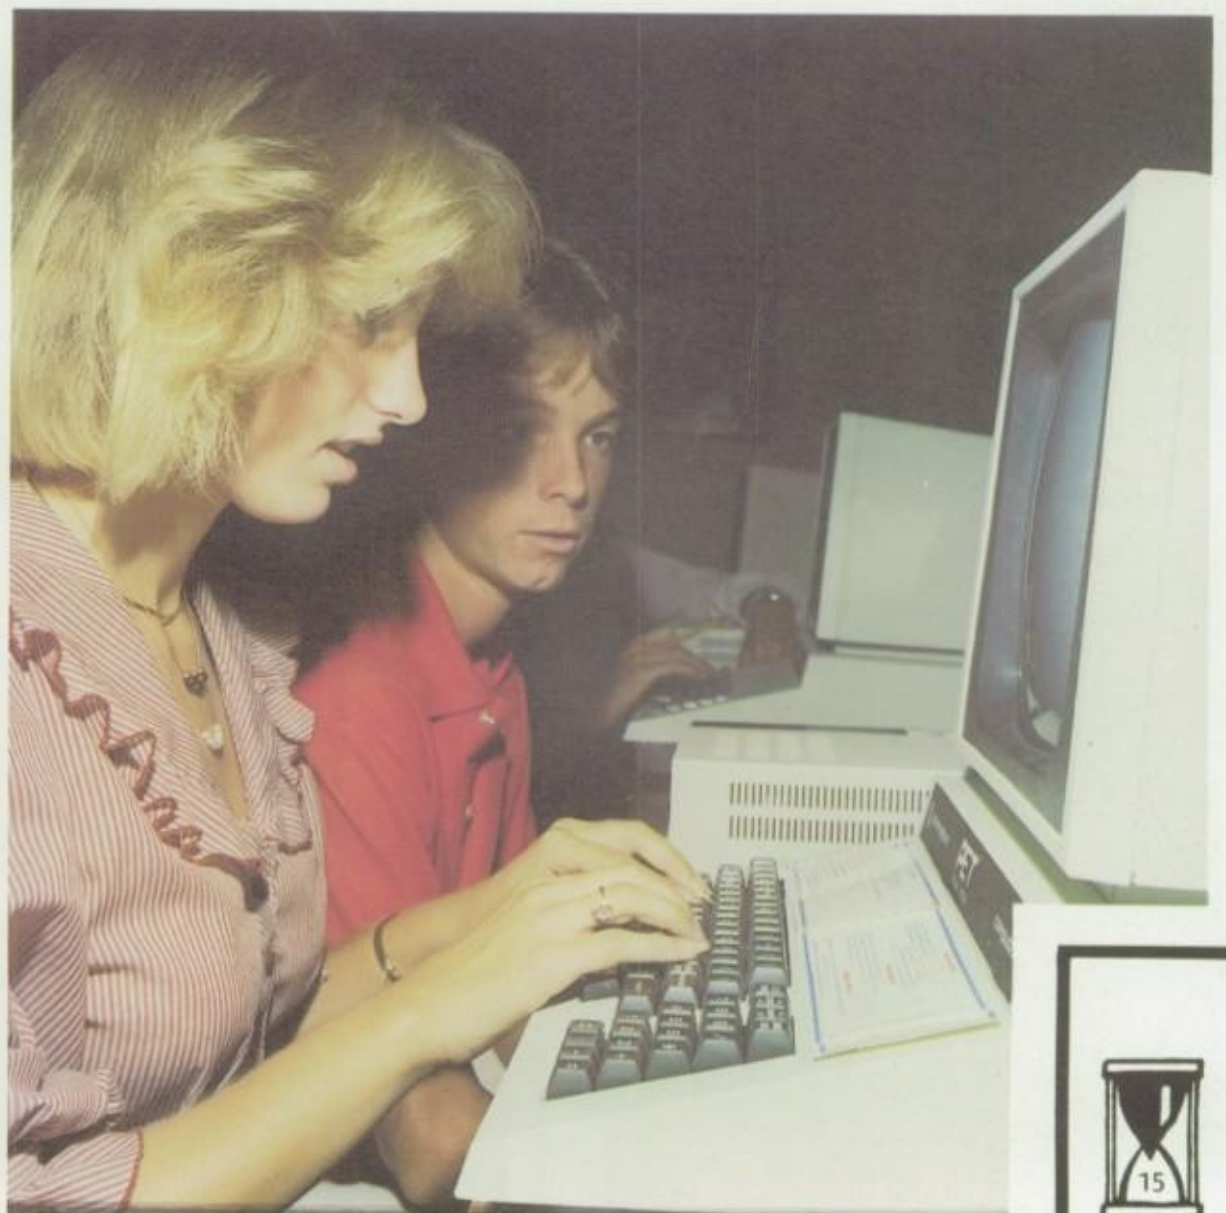

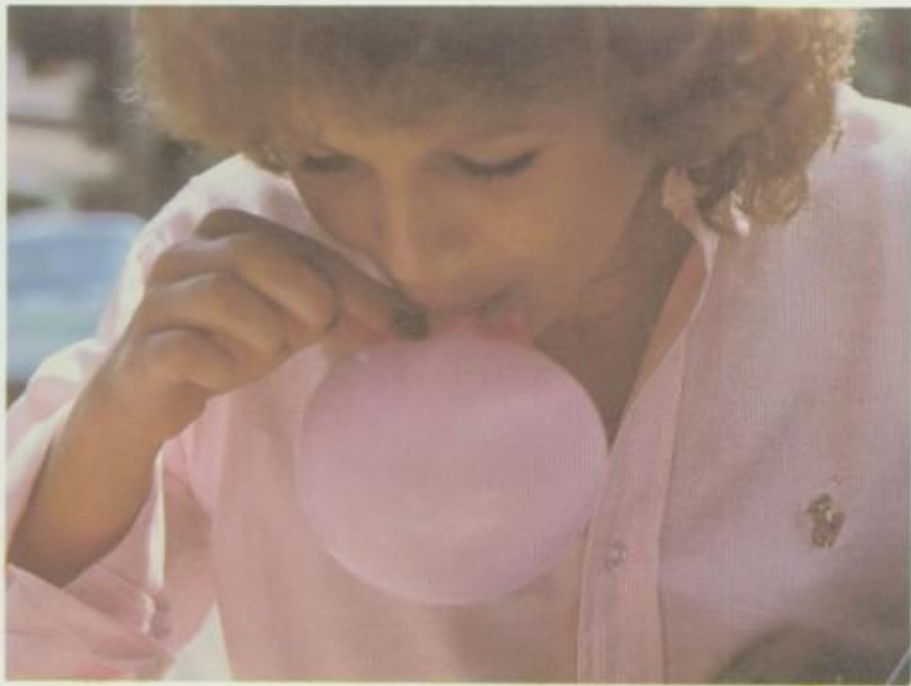

"Today is the first day of the rest of your life."

But there never seems to be enough time
To do the things you want to once you find them.
I've looked around enough to know that you're
the one I want to go thru time with.

STAFF

Lake Highland's First Lady.

We, the 1982-1983 Lakhischan Staff, are very proud to dedicate this year's annual to our Director of Admissions, Mrs. Mildred MacLeish. Mrs. MacLeish has been here with us at Lake Highland for 12 years. During this time, her dedication and unending devotion to all have earned our respect, our admiration, and our love. It is her smiling face that a new Lake Highland student first sees. What a wonderful way to start off in a new school!

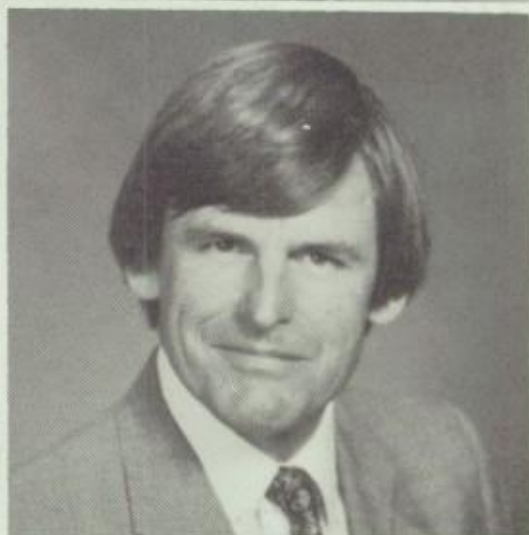

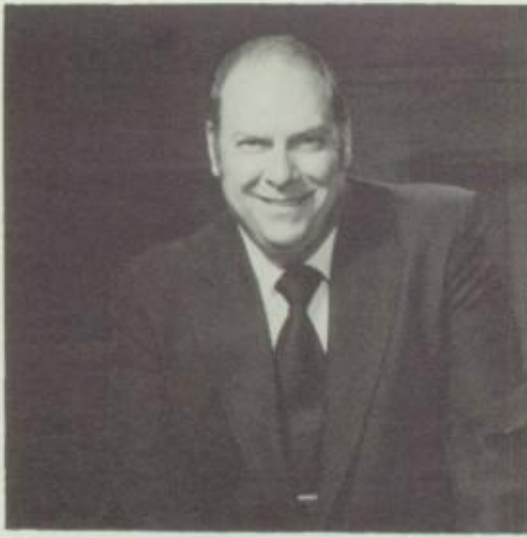

Mrs. MacLeish, known as "Mit" to her friends, graduated from the University of Georgia in 1942, with a major in Education. Since then she has attended Rollins College, Stetson University, The University of Florida, and Valencia College, and has studied everything from math and conservation to popular culture. As she has aptly demonstrated, education is a never ending process.

Mrs. MacLeish's job is not an easy one. For quite some time, she directed both the Guidance and Admissions departments simultaneously. And in her spare time, she is extremely active in the community. She has been a member of the Administrative Board of the First United Methodist Church; the Y.M.C.A.; the United Way Board of Directors; the Board of Directors of the Woman's Society; the March of Dimes; the Board of Managers of the Rosalind Club; the Board of Directors of the Junior League of Orlando and Winter Park (Vice President); the Pi Beta Phi Alumnae Club (President); and the Woman's Board of the Country Club of Orlando. In addition, she has served as a Trustee of Lake Highland for years.

Mrs. MacLeish once said that her greatest joy is working with young people. Well Mrs. MacLeish, it has been a joy working with you also. Thank You for your warmth, your sincerity, and your wonderful sense of humor. We appreciate your thoughtfulness and your diplomacy. It is for these reasons that we dedicate this year's Lakhischan to you.

Bob Cadwell is caught red-handed trying to break into Lisa's new Mazda RX7 during lunch.

Heather Higbee's artistic talent prevails in her spare time at school.

Another Year Begins — Just Taking It A Day At A Time.

11:07 A.M., Sept. 8

Late, as usual, the seniors of "83" rush to orientation to get the first look at the new students. Picking up schedules and buying books was definitely not on the top of the list: catching up on what happened over the summer was everyone's main goal. Realizing orientation was over, there was no choice but to drag ourselves to the library to buy new books. After standing in line for 2 hours and writing an enormous check the first unofficial "senior lunch" took place.

8:20 A.M., Sept. 9

First day of school. As the tardy bell rang the new seniors casually stroll to either Mrs. Wehr's or Mrs. Johnston's homeroom classes. No one seemed ready to face the locker hassles and schedule changes. It seemed the first day excitement had already worn off just a bit.

9:45 A.M.

The usual welcome assembly took place. We managed to sit through another one only this time in the front rows. It seemed everyone was waiting for just one thing . . . Seniors First.

10:45 A.M.

Back to class. Starting the daily routines over again made us feel like we had never left for summer . . . We did, didn't we? The first day was filled with rules and regulations. Senior thesis? S.A.T. vocabulary? Physics? The feeling of long homework-filled nights hit like a rock.

2:55 P.M.

Thank goodness it's Friday! The thought of forgetting school and homework filled the rooms as the 7th period bell rang beginning the first week-end of the school year. Students grabbed their books and hurried to their cars. At last a feeling of accomplishment, the end of the first week . . . and only 35 more to go!

Friends get together for a surprise birthday party at Sheri Kirsch's.

"Midnight Painters" Geoffrey Cheeseman, Sandy Herron, and Dan Bauer practice their rowing techniques in preparation for painting the block.

Aana Bustad gets a charge out of hydrosiding.

Billy Halley and David Rider practice for a role in Rocky IV.

Mary Cunningham and her horse Idle Rebel practice for a weekend horse show.

David Rider has his ups and downs during playtime.

Days begin early on the farm in Rhode Island for senior Heather Higbee.

After Hours; Weekends Get Us Thru!

Couples snuggled together at the movies, a guy and girl out together for a pizza, or holding hands at a dance . . . students engaged in the world's most popular sport . . . dating.

Spending after school hours with your date is probably the most popular pastime. It hardly seems possible anyone would want to stay home. Good company means first rate memories, no matter where you are. Whether at the football game Friday night or watching a good movie at home, doing things together is the way to go.

Seniors show their "Aloha" spirit at the Welcome Dance after the football team's victory against Northside Christian.

On weekends, Harry Turton spends time getting his boat to work.

Robbie Gentry barefooting??? "Are you sure I'm ready for this?"

Silvana Spinelli waits for her drink. Long wait Silvana, you gotta be 19!!

Summer is over! The beard had to go for Senior Bill Halley.

On a slalom course at Lake Silver, Kenny Herold always makes big spray.

Missy Beardslee pins a boutaneer on her date. It's PROM TIME!

Harry Turton's dog learns obedience from his master.

Fore! Kurt Mayo watches intently as the ball lands in the lake.

Aana Bustad and friends learn how to "Keep Cool" during the summer! Ocean Reef in Key Largo is the place to be!

Jason Spector "Really Cares" about the fish he's hooked.

Marty Larsen prays to come out of the next game, all in one piece.

The Mighty Class Of '83

The Senior Class of 1983 has style. Though different in many ways, we all have memories of the special moments of togetherness we have shared. We are proud of our fellow classmates, of both their academic and athletic achievements.

We have shown Lake Highland the definition of school leadership and responsibility. We showed our school spirit by cheering the loudest at pep rallies. We upheld a Highland tradition by continuing our many senior privileges. And we demonstrated senior superiority by wearing senior T-shirts.

Our final year draws to a close, and we feel a certain nostalgia as we make plans to leave Highland. We look back fondly upon Homecoming, Christmas parties, dances, and trips to the beach. Then — final exams. And at last — Commencement . . . when the high school doors are closed and the doors to the future opened. And we know deep down that "WE'VE GOT WHAT IT TAKES!!". "We're the best, It's plain to see, we're the mighty class of '83!"

Advice To Underclassman

First, don't take difficult classes that require a lot of work. Fill your schedule with academic studies instead of Trig., Physics, and French IV. Next, before you sign up for a class check with Mrs. Williams to find out if there are any good looking guys in it — if not DROP IT! Join as many extra-curricular activities as possible. Boys don't get your left ear pierced (or right for that matter) earrings are not allowed at Lake Highland! Wake up late on the Saturday of your SAT — it doesn't matter if you're late, it just decides your collegiate FUTURE! Never, ever burden yourself with homework that might hamper your SOCIAL LIFE!!!

Don't forget to keep your pets locked up at night. Anatomy students are on the prowl for new specimens.

Over the summer, whatever you do, don't take a vacation with your parents.

Whatever you do, leave time in your day for a little laughter and a lot of laughter.

Remember Boys, If you want to be a Highland Stud, lift weights — I do!

Watch what you say to your underclassmen. They have been known to attack!

Don't be misled when registering for courses such as literary magazine — Deadlines must be met.

My schedule said English. What am I doing painting Sr. Walter Raleigh, Mrs. Fazio?

Physical Education D.I.S.!

Remember . . . Hamburger combos catch up with you later on in life.

We couldn't escape forever! We finally ended up having to take an academic class!

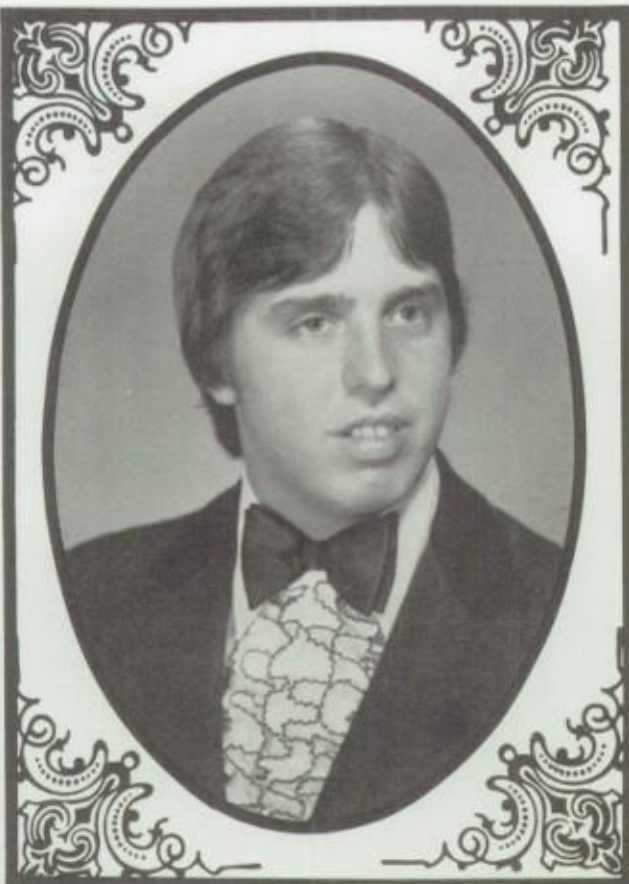

Remember . . . "Don't worry about finding a parking place — just land on Holloway Field.

Keep in step with the music!

PACESETTER — (pās sēt ár) n. 1. A talented senior at Lake Highland who has won the recognition and praise of their teachers. 2. Energetic; A Leader; An Achiever.

Jeff P. Walker

Heather I. Higbee

Frank A. St. John

Leadership describes senior Jeff Walker! Serving his class as president in his freshman, sophomore and junior years, Jeff knows all about responsibility and hard work. His ability as an organizer really paid off in May 1982 when the junior class presented the senior prom! As a senior Jeff exhibited his leadership talents and experience as President of Student Council.

Excellent grades have placed Jeff in the top of his class each year. National Junior Honor Society and National Honor Society membership reflect his interest and accomplishment in the area of academics.

Jeff has received many awards during his four years of high school. His sportsmanship was recognized, as a freshman member of the swimming team, when he was presented the "Sportsmanship Award." During his sophomore year Jeff was the recipient of the Hugh O'Brian Leadership Award and his name was added to the list of Who's Who Among High School Students.

Athletics is another area of interest for Jeff. He wears #25 on the Highlander football team, where he has played the past three years. The Fellowship of Christian Athletes counts Jeff as one of its members and currently the chaplain.

During the summer of 1982 Jeff was an intern with the American Heart Association and Florida Hospital.

Heather Higbee has a lot going for her. Listed in "Who's Who Among American High School Students, Heather brings honor to herself and to Lake Highland. Students recognized in "Who's Who" excel in all areas of campus life, and she is no exception. Heather's academic achievement was rewarded early with membership in the National Junior Honor Society and currently in the National Honor Society.

"Talented," That's another word for Heather! She demonstrates talent in her work with the Drama Club and the International Thespian Society. Designing layouts, cropping pictures and doing art projects for the **Lakhischan** are other ways her creativity is expressed.

Heather's interest and ability have come together on the athletic field. Beginning in her sophomore year, she has been a member of the Highlander track team and has also run on the cross-country team. As a tenth grader Heather received the "Sportsmanship Award" for the track team.

"Most Likely to Succeed" is a title Heather wears with pride. Members chose her as the girl, in the class of 1983, to hold this honor. Success has been a part of Heather's image. Recently she was chosen to "star" in a nationally televised program called "Why in the World?". This program features exceptional students from high schools across America and their reaction to events in the news.

When academic awards are given each spring you know the name Frank St. John will be heard many times. He has received a President's award each year and numerous awards in the areas of science, mathematics, social studies and English. As a junior, Frank was chosen as a Marshal for the graduating class of 1982.

Recognition of Frank's abilities and accomplishments comes from many areas. He is a Commended National Merit Scholar and is included in Who's Who Among American High School Students. Frank participated in the Bill Nelson Congressional Intern Program as a junior.

Frank finds plenty of time to pursue interests other than scholarship. He was elected vice president of the junior class and president of his senior class. Frank is an active member in the Fellowship of Christian Athletes, where he is a co-president. He is also a member of Key Club. Basketball and baseball add another dimension to Frank St. John.

Frank has received many top honors as a senior, including semi-finalist in the 1982 Educational Communications Scholarship Foundation Program, and 1982 Governor's Program for High Ability Students. The Governor's Program was held at the University of Central Florida. The U.S. Naval Academy recently sponsored an engineering and science seminar which Frank attended.

The Seniors "Most Likely to Succeed", Heather Higbee and Jeff Walker, are ready to tackle the outside world. Both Heather and Jeff look forward to their college careers.

Frank St. John, working in the office of Congressman Bill Nelson, during the summer of '82.

Heather is a studious worker and a very talented young woman.

Frank always has a smile on his face . . . he may go far in the world of politics.

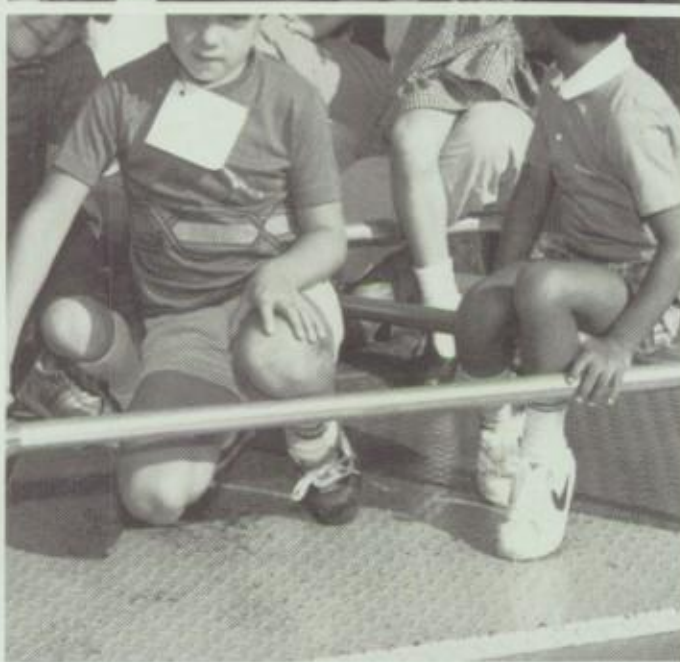

Jeff Walker, Student Council President, has been a strong force in student government.

Like many students, Frank is drained after an English pop quiz.

Coach Tom Ruby contemplates another victory.

Football at Lake Highland in 1982 was fantastic. For the first time in the history of the school we had football games "under the lights." The first home game was Friday, September 17th against Admiral Farragut. The PTSA sponsored a bar-b-que prior to the game. The many fans watched the opening ceremonies which included a sky diver! Excitement was high as the Highlanders built a first half lead and hung on in the second half for a 13-12 victory! Following the victory, students in grades 7-12 attended the Welcome Dance sponsored by the Student Council.

1982 was the first year for Lake Highland's Junior Football Team. They practiced extremely hard under the coaching of Glenn Miller and Jerry Brewer. The team improved daily with the devotion of the 27 eager players. The Junior High made their first touchdown against Tampa's Berkley Prep. during their first home game. It was followed by Fall Fun Day, which attracted many fans to the game. "Awesome", that was the term used by the team members all season long. Junior High sports have found their place at Lake Highland.

Cross Country is one of the hardest sports. It requires all you have to give of yourself and extreme dedication. Running up to eight miles a day in the blazing heat and then working out at Nautilus.

The Lake Highland Cross Country team won second district title. With the return of Mike Olvey, Brad Olvey, George Scheufele, and Kirk Strawn from last year their chances were great. New members on the team, Jason Clark, Keith Brandt, Duane Clever, and Graham King were the key factor in the team's success.

The girls cross country team had a good season ahead of them with Leigh Zanowski and Heather Higbee leading the pack.

Running Red

For the second year in a row the Highlanders have stomped on the enemy, rose above the rest, and won the Highlander Holiday Classic. In early January the teams success was just beginning. They had already defeated Florida Central, Father Lopez, Mount Dora, Luther, and Lakeland Evangel. The cry was "Can we be stopped?"

The team's efforts have met with fantastic results. Captains David Rider and David Jablonski have been top scorers, helping to lead our varsity to their victories.

The other schools didn't have a chance, because the court was running red.

"ACE" turns on the steam.

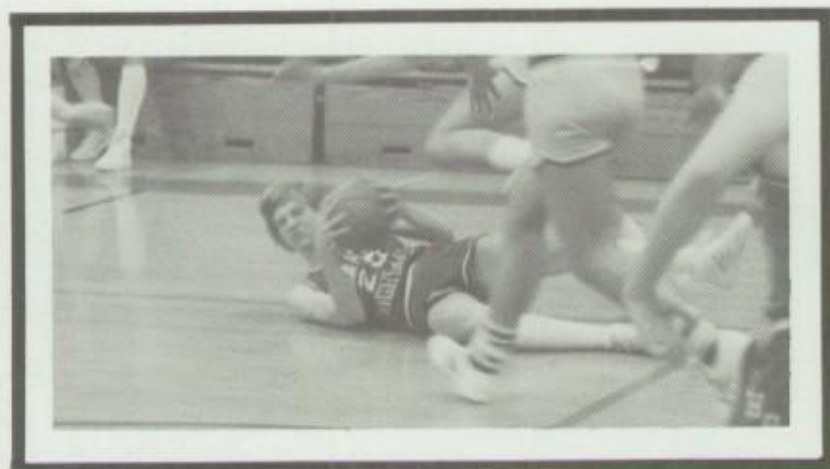

Rowdie, rowdie, that's our style.

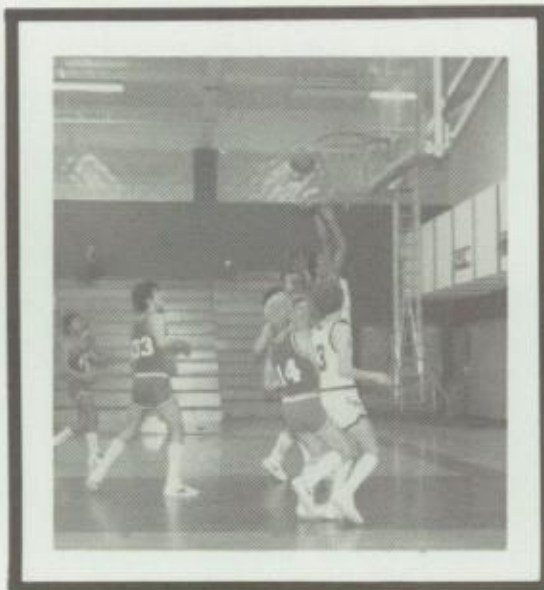

David Jablonski helps lead the "Runnin Red" to a victory.

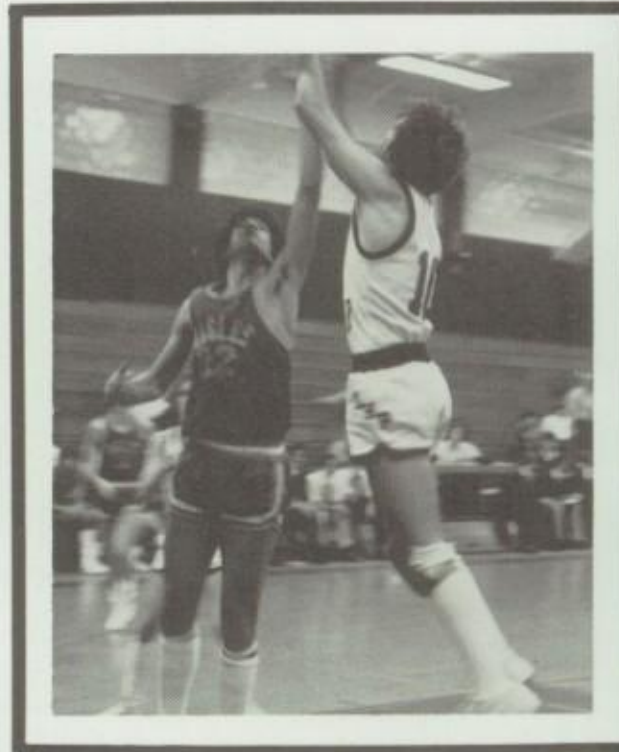

Highlander Angel Mesa, wins the jump ball against Montverde.

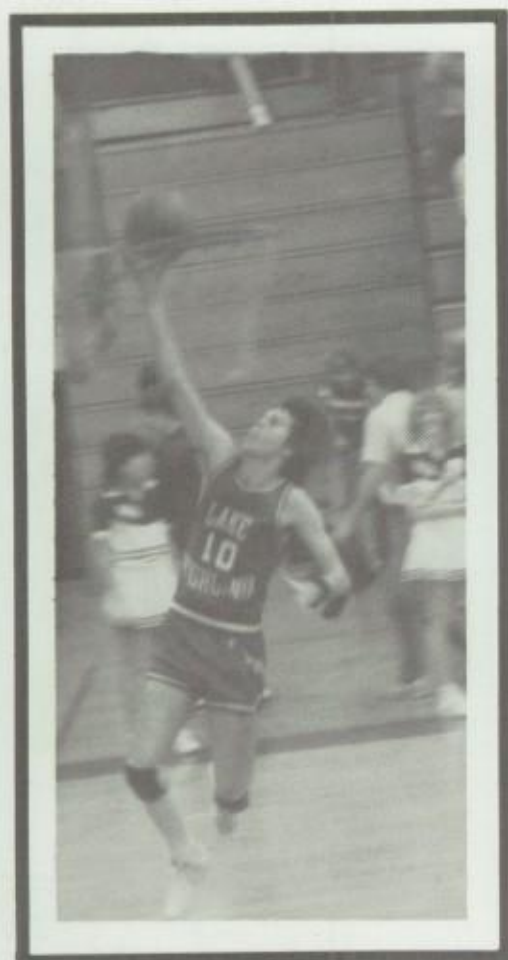

Bobby saves it.

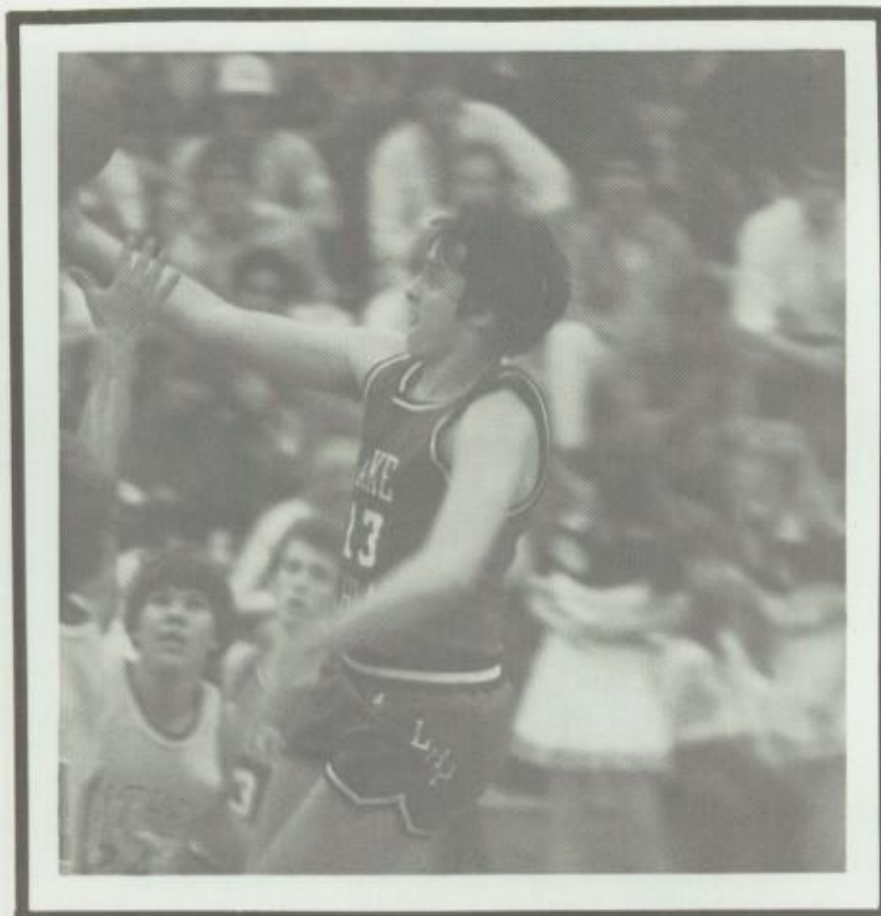

Angel shoots for two.

Ace Rider helps the Highlanders destroy the Eagles

David skies above the rest.

Mat's bound to make this one.

GIRLS' BASKETBALL

Pain shows on Debbie's face as the ball is turned over.

Debbie watches carefully for an opportunity to steal the ball.

Back Row: Mirna Mesa, Kristen Zanowski, Leigh Zanowski, Becky Holcomb, Heather Peters, Mary Douglas Erickson, Kim Snow, Julie Fitzpatrick, Debbie Rollason, Anita Taylor, Jackie Forbes, Manager — Sean Peters. Front Row: Coach Hallett.

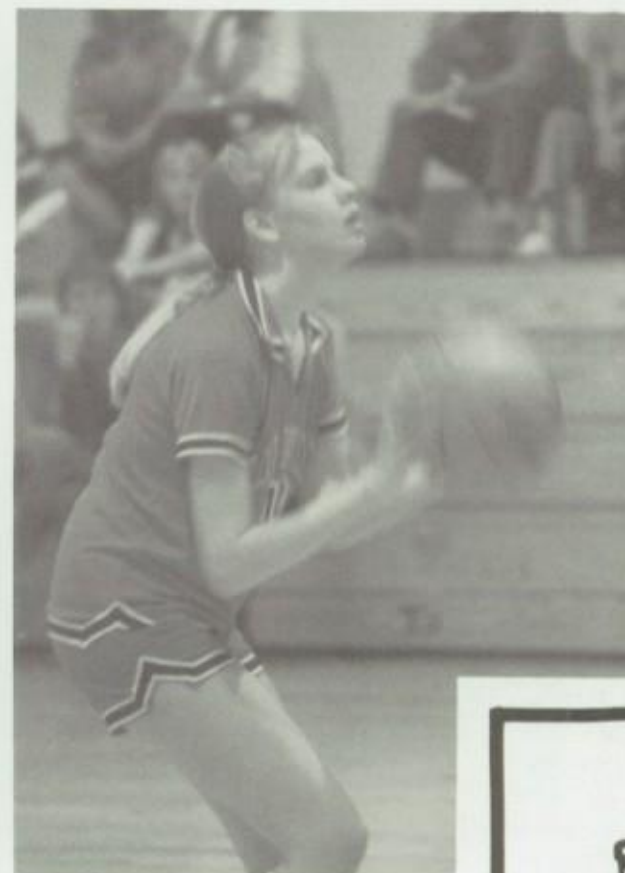

The 1983 Girls' Varsity Team displayed an abundance of talent. The team was led by Co-Captains: Debbie Rollason and Jackie Forbes. This year, the Lady Highlanders consisted of three juniors, two sophomores, four freshmen, and two eighth graders. We had a young team, but it was filled with talent. Over the Christmas holidays the Lady Highlanders participated in the Mount Dora Bible Basketball Tournament. Debbie Rollason and Heather Peters were given special awards for making the All-Tournament Team. In February the Lady Highlanders hosted the 1982-83 district Girls Basketball Championship.

Jackie makes her move.

Coach Hallett gives Julie Fitzpatrick a little advise.

Erickson prepares to shoot an important free throw.

Phil fires a shot as Mt. Dora tries to get a charge.

Back Row: Morris Hartley, Chris Elder, Phil Smith, Jim Ross, Hal Coe, Brian Duckworth, Richard Rollason, Joel Walker, Mike Rodriguez, Brian Ziegler, Rich Byrd, Ty Grass. Front Row: Coach Howell.

The 1982-83 J.V. Basketball Team epitomizes the words character and class. The totally new J.V. team found out early in the season what losing felt like. The team, however, which is made up mostly of 9th graders, refused to quit. Led by team leaders, Phil Smith, Brian Duckworth, Joel Walker, and Richard Rollason, the team came back late in the season and defeated district arch-rivals Luther, Mount Dora, and Montverde. More importantly, the team has developed a winning attitude and Lake Highland's basketball future looks bright.

Byrd fires a free throw while Chris sets up to defend the basket.

Jim Ross shoots through two defenders to score a basket.

JUNIOR VARSITY BASKETBALL

Hal jumps high to fire the ball to a Highlander.

The 1982 Lake Highland softball team was composed of a skilled cross-section of new and returning players. Although they faced many challenges, the team managed to pose a threat wherever they played. It was obvious that the many hours of practice the team devoted paid off as they consistently improved throughout the 1982 season. Coach Lankford led her team through many obstacles. Although many of the girls were involved in other sports, they demonstrated enough enthusiasm to win second place in the 1982 Districts' competition.

SPIRIT WEEK

It has always been a tradition at Lake Highland to begin our homecoming festivities with spirit week. We began with the presentation of our candidates. This was followed by a Red and Green Day where we wore the Christmas colors to get in the holiday spirit! The student council sold Christmas bells to raise money for the Homecoming Dance.

Field Day was a big success. The junior class sponsored a balloon day, releasing hundreds of helium-filled balloons into the sky. The eighth graders, sophomores and seniors emerged victorious in the tug-of-war, leaving their opponents wet and muddy but in the best of spirits.

In contrast, Thursday was "Funeral Day" where we mourned for the anticipated defeat of the Chargers. On Friday the homecoming representatives displayed their gowns during an assembly. They returned the next night awaiting half-time, when the new queen would be chosen. It was an exciting night! The crowds roared as Heather Higbee took the crown! Trish Brown, Velvet Haralson, Tray Howard, and Susan Rogers became the new 1982 Homecoming Court.

After the game, the students attended the Homecoming Dance in the auditorium. It was highly decorated with Christmas in mind, and the group, Tanzy, brought spirit to the room as we danced the night away!

← PROGRAM

If I could put time in a bottle
The first thing that I'd like to do
Is to save ev'ry day 'til eternity passes away
just to spend them with you.

If I could make days last forever,
If words could make wishes come true;
I'd save ev'ry day like a treasure and then again
I would spend them with you.

But there never seems to be enough time
To do the things you want to once you find them.
I've looked around enough to know that you're
the one I want to go thru time with.

If I had a box just for wishes
And dreams that had never come true;
The box would be empty except for the memory
of how they were answered by you.

But there never seems to be enough time
To do the things you want to once you find them.
I've looked around enough to know that you're
the one I want to go thru time with.
